WELLNESS DONATION: Sixteen out of 22 Gothenburg State Bank employees succeeded 50 out of 58 days in eating healthier and/or exercising more. As a result, they each earned \$50 to donate to a favorite charity. Another \$200 was added by bank president Matt Williams for a \$1,000 donation total which they gave to the Sun Theatre to help buy a new popcorn popper. Williams said he hopes the donation will challenge others in the community to donate to the fund-raising project which is still about \$3,000 short.
