**GARDEN WORK:** With spades and gloves in tow Gothenburg's Gardenaires donated and planted 100 daffodil bulbs at Stone Hearth Estates to celebrate National Daffodil Year. The nine women belonging to the club will be planting 1,000 daffodil bulbs throughout Gothenburg coinciding with clubs doing the same thing throughout the United States. Pictured are, front to back: Faye Kniss, Arlene Franzen, Elnora Brown, Tip Ronnekamp, Marge Block, Carol Gronewold and Nancy Fisher.
