BETTY BOOP CAR HOP: Some of the 109 entries in Saturday's Relay for Life fund-raiser car show came with props such as this 1957 Chevy, owned by Julie Parker of Cozad.

A cut-out of Betty Boop, a cartoon character introduced in 1930, was placed next to a milkshake and burger attached on a tray to the window of the vehicle. Cars lined 15th Street and Avenue F, around Ehmen Park.
