At Your Service: Volunteers from local businesses, on behalf of the Gothenburg Chamber of Commerce, dished up and served a noon meal to diners at the Senior Center on Valentine's Day last Thursday. Tables were decorated for the holiday and door prizes were awarded. Pictured, Matt Olsen of Edward Jones Investments serves Norma Scott her meal. The Chamber's retail and promotion committee plans the meal and Chamber ambassadors, and any Chamber business, serve the meal and donate door prizes. This year, Dudley Elementary second, fourth and sixth graders made place mats for the event which is in its 15th year.
