District music contest Friday at St. Pat's

Gothenburg High School music students returned from the district music contest Friday with high ratings.

Music teacher Ernie Blecha said the choral groups were amazing with four different groups and three soloists earning superior pluses at St. Pat's High School in North Platte.

All other GHS choral groups and soloists received superior ratings.

Ratings are superior plus, superior, excellent, good, fair and not acceptable.

For band, an instrumental trio of Jon Rehmert, Remmy Rocha and Roman Schmidt earned superiors as did four soloists.

The soloists included Sydney Pride, clarinet; Trenton Long, trombone; and Holly McPheeters and Rachel Rice, flute.

Flutist Jessica Boehle got an excellent rating as she did the high school band.

"It was a great day for the instrumental program," Belanger said.

Choral, band students earn superior ratings
