Many activities: Dudley Elementary second graders traveled to the farm of Doug and Stephanie Block last Thursday where they learned about farm life and other things. They also listened to a talk by 2013 Miss Rodeo Nebraska Samantha Chytka. Pictured (right) are, l-r: Camdin Madison, Brandon Schrinier, Chytka and Hayley Slack. Left, Gage Anderson holds a turtle while Alex Goad watches. Second graders have gone to the Block farm for several years near the end of school. Classes were dismissed for the summer Tuesday.
