A Gothenburg man recently received a plaque that recognized his 1957 Plymouth as a Top 25 vehicle in a car show.

Jay Lewis traveled to Salina, KS, July 25-27, for the 33rd Annual Lead Sled Spectacular.

The show hosted around 2,300 cars, and was put on by Kustom Kemps of America in Oak Dale Park. The park featured vendors, repair men and car specialists.

Lewis' Plymouth was entered in the Spectacular Top 25 division.
