Tags need takers: The Rotary Club Gift Tree is up at Shopko Hometown and decorated with tags for area people in need this holiday season. Information on the tags includes adult/child/seniors clothing sizes and a wish list. Gifts can be bought at Shopko Hometown or elsewhere and returned to Shopko for distribution. Rotarian Dan Kreis (pictured left) said tags for 57 people are on the tree. With Kreis is assistant Shopko manager Lorie Hoesel.0000
