The Swede wrestling team continues to improve. This past season was the best they have had under coach Scott and possibly in Gothenburg history.

“We’ve won three championships at tournaments, we were second in two other ones. We tied with the most state placers we’ve ever had and were one point from having another. At every single tournament we went to, except for state, we had a champion. It wasn’t necessarily the same kid every time,” were some of the great things that coach Scott remembered about the season.
