Gothenburg High School athlete Grant Sell will head to Norfolk this fall on a golf scholarship to Northeast Community College. Sell has liked sports since he was shooting hoops with his father when he was seven or eight years-old. At that age, Sell picked up a set of golf clubs for the first time.

Some athletes go for all the sports, but Sell is a specialist. Golf and basketball are his passions at GHS.

While Sell enjoys the team effort of basketball, he's at home with golf clubs where each player actually battles alone against the course itself.

For more of this story see the March 28 issue of The Gothenburg Times.
