GRAND ISLAND—Had it not been for a loaded district, the Swede golf team may have found its way to the Class C state meet this week.

Instead, Gothenburg put together its second best combined score of the season at the C-4 district meet in Grand Island on Oct. 5 and still finished without a state qualifier.

Grand Island Central Catholic breezed to a team title shooting 356 with four individuals in the top 10.

Wood River also qualified as a team with 377 and Doniphan-Trumbull secured the last team spot scoring 391.

Gothenburg finished eighth with a team total of 465.

Still, the coach was pleased with the team performance.

“I thought all the girls gave a great effort on this day just as they did throughout the season,” Henke said.

Senior Jourdan Matthies carded 114.

“Jourdan started off great but had major trouble on the third hole,” Henke said. “But she
