### **Swedes finish seventh.**

HOLDREGE—The Holdrege Country Club has plenty of obstacles to taunt unfamiliar golfers.

Tree and water hazards are not something Gothenburg golfers practice with every day.

Add recently aerated greens on the front nine and the course became frustrating to many high school golfers Saturday.

Gothenburg finished seventh of 12 teams at the Holdrege Invite without a medalist.

Minden took the team title with a combined score of 392. Grand Island Northwest and McCook tied for second, both just one shot back at 393.

Allie Exstrom of Minden won the individual title shooting 81.

“Pars and even bogeys were hard to come by,” said coach Jim Henke.

Elizabeth Graham led the Swedes with an 18-hole score of 105, one stroke from a medal.

“Liz had less trouble than the rest of the team,” Henke said. “She actually played quite well but had several putts end up just short due to the aeration holes in the green.”

Freshman Heidi Teahon played consistent with 60 and 58 for 118. Anna Boson shot 63 and 60

for a total of 123 followed by Haley Scheidt with 64 and 60 totalling 124.

“The girls agreed that the aeration definitely caused them some extra strokes,” Henke said.

Solid scores in the previous couple of meets were encouraging for the Swedes, the coach said.

“Now the girls have to put this behind them and try to regain their confidence,” he said.

Gothenburg will travel down the road to Cozad on Thursday for the Southwest Conference meet. Tee times begin at 10 a.m.

Then the Swedes must focus on the C-4 district meet at Meadowlark Hills in Kearney on Tuesday.

Teams included in the district are Broken Bow, Burwell, Centura, Cozad, Gibbon, Gothenburg, Kearney Catholic, Loup City, Minden, Ravenna, St. Paul, Superior and Wood River.
