Gothenburg's softball squad picked up a couple of easy victories Sept. 20 at Ogallala.

Chadron defeated 15-5

Gothenburg may have won by 10 runs, but it took the full seven innings and the Swedes didn't pull away until the fourth inning.

"We played okay. We weren't great," Swede coach Roger Neujahr said. "They knew it was Chadron and we could win it without going real hard."

Still, the game wasn't out of reach for the Cardinals until the later innings.

Chadron roughed up a couple of Swede pitchers before regular starter Amanda Barkmeier shut down the Cardinals in the final three and two-third innings.

The first and fifth innings were big for Gothenburg with five and four runs, respectively.

Brittyn Munster went 3-for-4 for the Swedes.

"We hit the ball a little bit better," Neujahr said. "We had better enthusiasm."

Errors hurt Chase County

The Longhorns committed five errors and gave up five walks in an 11-2 loss to Gothenburg.
