The Gothenburg golf team finished third Oct. 8 at the District C-4 golf tournament at Indianhead Golf Course in Grand Island.

“I am extremely proud of the girls and what they accomplished at districts,” head coach Tara Foster said. “I look forward to coaching them at state.”

The Swedes shot a 428 led by Harm’s 101, good enough for a medal.

Taylor Marshall, Mallory McCoy, Courtney Brown and Kelsey Kuhlman joined McKinley Harm in qualifying for state in Columbus at Quail Run Golf Course Monday and Tuesday.

Minden shot a team best 402 followed by Grand Island Central Catholic’s 420. Brandi Lemek from Doniphan-Trumbull shot an 88 to lead all individual scorers.

Foster said the week leading up to districts, the girls worked on approach shots and their short game from the fringe.

She added that Indianhead played long for most of the girls on Gothenburg’s team, so that approach shot would need to be consistent.

“The girls had to get off the tee box and have a solid second shot to score well,” Foster said.

She added that Harm kept herself composed in tough lies which contributed to her solid round.
