BOYS TEAM SCORING	
1. Mullen 134	2. Brady 121
3. Stapleton/McPherson County	75
4. Cody-Kilgore 67.5	Hyannis 52
6. Arthur County 34	7. Sandhills/Theoford 11.

GIRLS TEAM SCORING	
1. Mullen 122	2. Brady 113
3. Stapleton/McPherson County	88
4. Sandhills/Theoford 38	5. Cody-Kilgore 22
6. Hyannis 21	7. Arthur County 6.5.

Polk wins four gold medals.

VALENTINE—It was a back-and-forth race throughout the day for the boys Sandhills Conference track title Thursday in Valentine.

Brady coach Rich Britten said the Eagles had a solid lead in team points following the field events with nine individual medals including four golds.

The real battle began with the running events when the point lead changed hands several times between the Eagles and Mullen Broncos.

When all was said and done, Mullen came out as team champions with 134 points to Brady's 121.

The Eagle boys finished with six SHC event champions. Junior Brad Ward was a dual winner taking first in the high jump and long jump.

"Brad scratched twice in the long jump," Britten said. "He had to make finals with his last jump and he went a personal best 21-1.75."

Ward struggled to get on the board again in the finals but managed to win the event anyway.

Kyle Pohlman took gold in the triple jump in what Britten described as a wild competition.

“My palm could have covered the total distance between the top four jumpers,” he said.

Pohlman won with a distance of 41-6.5 and Ward was fourth at 41-2.75.

Corbin Blede kept his usual spot at the front of the shot and Dalton Riedel came in first in the 3200-meter run.

The final gold for the boys was won by the 4x800 relay team of Tyrel Grasz, Cole Viter, Lincoln Blede and Riedel in a time of 8:58.

“We edged out Mullen to win that relay,” Britten said, “and we finally got our time under nine minutes.”

On the girls side, Britten said the team title race also went back and forth between Brady and Mullen with the Broncos taking top honors at 182 points.

The Eagles finished second with 143 and five gold medalists.

Sophomore Megan Polt was the big winner for the Brady girls taking first in all three sprint races plus running the lead leg of the winning 4x400 relay.

“Megan had a really good day,” Britten said.

The other Brady girl to take first was Jessica Schrad in the 100 hurdles.

“We saw a lot of improvements this week,” Britten said. “With the district meet next week, it’s a good time for kids to be hitting their stride.”

Brady will compete at the Dave Blevins Memorial meet at Arnold beginning at 10 a.m. on Friday.

The meet, Britten said, was renamed from the Stapleton Invite to honor the long-time former coach from Stapleton who died last year.

The D-10 district meet is scheduled to start with field events at 10 a.m. May 12 in Sutherland.

In field events, the first two places in each district qualify for the state meet.

In running events, the first two finishers in each district and the two fastest times from across the state qualify.

The top relay in each district qualifies for the state meet, plus the five fastest remaining times, regardless of place.

INDIVIDUAL BRADY

BOYS RESULTS

100—3. Kyle Pohlman, 11.8; winning time, Brad Wright of Mullen, 11.4.

800—4. Lincoln Blede, 2:14.9; winning time, Brad Wright of Mullen, 2:06.5.
