Brady took on winless Hitchcock County Oct. 24 in between Sandhills Conference matches.

The Eagles dominated in a three-set victory, beating the Falcons 25-9, 25-9 and 25-12.

Head coach Lynne Johnson said the girls knew their opponent wasn't very good but focused on Brady's side of the net.

In such a lopsided win, Johnson managed to get younger girls into the game while resting older girls for the upcoming match.

Josie Palmer, Tara Callahan and Valeria Most led the Eagle offense combining for 24 of the 28 kills.

Callahan also had five aces.
