---

The Brady High School band will compete against seven other area bands in the annual KNOP-TV "Team Idol" competition which begins next week during the station's 6 and 10 p.m. news broadcasts.

The Eagle band was filmed for the segment Tuesday morning doing a routine to the school fight song.

In addition to the television broadcasts, the segments will be available for viewing on the network's Internet site at [www.knopnews2.com](http://www.knopnews2.com) where fans are asked to vote for their favorite band.

The top four will advance to the next round of competition.
