

'Clowns' missed installation

Written by George Finnell, Brady

To the clowns that vandalized the rest rooms at the Brady Park.

I wish you would have left your name and telephone number so I could have called you so you could watch new sinks installed.

Your mother or dad dresses you weird or funny and you don't like to come out in the day light. You sure missed some excitement.

You probably never observed people working.

George Finnell, Brady
