HOLIDAY WONDER: “Top Hat,” the theme of a tree decorated accordingly by Stone Hearth Estate employees, caught the attention of 6-year-old twins Kaygan (left) and Kelynn Witthuhn of Callaway during Stone Hearth’s Tour of Trees Saturday.

Themes from “Midnight in Paris” to “Cleopatra” and many more in-between showed up in decorations on 20 trees throughout the facility. Viewers at the annual event were asked to make a free-will donation to support live productions at the theatre.
